# NEW ZEALAND AREA SCHOOLS' SPORTS TOURNAMENT POLICY

### RATIONALE:

The New Zealand Area Schools' Sports Tournament has been established to ensure that Area School students have access to pathways and opportunities to participate at higher levels of sports coaching, competition and selection.

### GUIDELINES:

1. To take part in the Sports Tournaments schools must be current financial members of the New Zealand Area Schools Association.
2. The Sports Tournament programme will consist of two elements:
  - a core programme – sports which are offered at each tournament (subject to entry requirement).
  - a discretionary programme – being sports which the host zone is able to offer, utilising local resources and interests e.g. futsal, golf, girls Rugby 7s, bowls etc.
3. The core programme will consist of the following sports:
  - Basketball – boys and girls
  - Netball – girls (up to two teams per zone)
  - Rugby – boys 15 a-side
  - Volleyball – boys and girls
  - Football – 7 a-side
4. The national tournament will be quadrangular competition, based on 4 zones:
  - Northland Area Schools
  - Central North Area Schools
  - Top of the South Area Schools (combined Nelson/Marlborough/West Coast and Canterbury Area School clusters)
  - South of the South Area Schools
5. Where a zone is unable to enter a team in a particular code, a suitable substitute team may be arranged by the host zone. Consideration may also be given to the possibility of a composite team being formed.
6. The region organising the tournament needs to confirm the tournament programme with schools by the end of February including discretionary sports. All zones should confirm their entries by Week 5 of Term 2 with the organisers. Common draw template to be utilised with local amendments as necessary. Template to be publicised on website
7. North and South Island teams are selected during the round robin competition in events where 4 zone teams are competing. If there are less than 4 zone teams in a code, trial teams rather than island teams may be selected. A New Zealand Area School tournament team will be selected. This team could compete against a suitably arranged local representative team at the tournament and may possibly be involved in further fixtures at a later date.
8. To take part in tournament students must be attending school full-time and under 19 as at 1<sup>st</sup> January or if they are Y7/8 must have proven exceptional performance and potential with full parental consent. .

9. Rugby –
    - a. If a zone is unable to form a team of 25, players may be seconded from another Area School. The regional co-ordinator to be notified of the borrowed players and their schools.
    - b. If a player is injured or unavailable more than two weeks prior to tournament then a seconded player from that region may be recalled to play for that region. The regional co-ordinators of both regions need to be notified.
    - c. Regions to make up list of possible national reserves (i.e. those that just miss selection) and provide this list to the current representative of the NZAS Barbarians Rugby Team.
  10. Selection of North/South or trial teams will be the responsibility of all of the zone coaches working together, unless this responsibility is delegated to some other nominated selector(s). Selectors for NZ teams will be decided before the tournament starts by the tournament organisers. NZ selectors will be people with high profile in the sporting code. If the nominated selectors in a code do not see all the round robin matches, they must consult with all zone coaches before the NZ team is selected.
  11. Organisation of any future fixtures for the NZ teams selected at the tournament will be the responsibility of those associated with each sporting code. A proposal of intent will need to be submitted to NZ Executive for approval followed by an actual submission as soon as possible after that. The submission to include proposed budget.
  12. It is recommended that applications for funding from community trusts and other sources be made in the year prior to hosting the tournament by the organising zone and/or executive. Entry fees for students will be kept to a minimum.
  13. Sports Tournament Financial Statements should be presented to an executive meeting before conference the following year. Financial statements will be sent to zone co-ordinators on a regular basis. Applications for use of any surplus sport funding must be submitted to National Executive.
  14. Overall responsibility for the running of the tournament lies with the schools of the host zone through their organising committee. RSO's or other suitable sporting organisations may be contracted to assist in the running of the Tournament.
  15. The tournament will be held in Week 1 of the July school holidays. The sports co-ordinator for the organising zones will ensure the dates are entered on the NZ Secondary Schools Sports' Calendar the previous year, and that the national and local associations of the sporting codes involved are notified of the tournament. An application for sanction to the NSSSC be applied for by the Executive Secretary of the Executive Committee.
  16. There will be a Sports Committee consisting of one zone elected representative from each of the five regional zones. That committee shall wherever possible meet annually under the chairmanship of an executive member.
- Zone Sports Co-Ordinators will in turn communicate with all schools in their zone.
